

# Passionpreneurs: Mindset secrets of seven women who turned passion and purpose into millions

Copyrighted Material

Have you ever felt that you deserve more out of life, but you're confused and frustrated about how to achieve what you want? Would you like to know the mindset of seven self-made business women who have been there and overcome their fears, confusion and created six and seven figure businesses so that they can live their dreams and help others live theirs in the process?

Passionpreneurs holds the answers for you.

You'll learn secrets such as:

- How to use the power of visualization from a three time cancer survivor
- What you **MUST** change in your life in order to earn more money
- The real secret to overcoming fear - it's probably not what you think...

Learn from Baeth Davis, the hand analyst, who was frustrated and depressed while working as a bartender and how she made the decision to follow her heart that has led to the creation of a million dollar business she now runs.

And there are six more, equally compelling stories inside this book. Get your copy today.
